EXPLORING THE BEAUTY
OF THE UNSEEN.

Each piece is an intuitive expression—born from feeling, built on movement, and open to interpretation. Art is not what you see, but **what you feel**.

Company Bio:

Ryan O'Neill Studios – Painting The Art Of Giving.

Ryan has sold and shipped art all over the world, and sells in a variety of high-end gift stores, museum gift shops, design shops and specialty shops. Ryan is a winner of Talenthouse creative invite to collaborate with U2 as part of the 20th anniversary of Achtung Baby album. His work is also featured in a recently published book by Renee Rongen, Motivational Speaker. Ryan O'Neill Studios is where Ryan explores a life of abstract art. Painting and art are to him like life...sometimes messy, sometimes hard to control, but always beautiful, and like life, worth the daily creative challenges. His art guides him to stay focused and free to learn and practice new techniques, but also to let the creative process take him on an abstract colorful journey.
